Email: jfuschetto@haightfire.com

Terms: 2% 10 Net 30
Delivery: 10 days ARO

Due to the imposed tariffs, transportation costs and raw materials to produce these extinguishers and chemicals has marked a significant increase in cost and is preventing Buckeye from distributing Halotron extinguishers in a timely fashion and at the current price structure. Due to this it has become necessary to slightly adjust this price structure. Effective January 1, 2025, a price increase has gone into effect for all of the Halorton Product Line. Updated pricing is reflected below.

HAIGHT PRICE PAGE
