**Description**

<b>A File Price has been established for the period May 1, 2016 through October 31, 2017 for Emergency Spill Response as per the terms and conditions listed on the attached pages.</b>

## **SCOPE:**

**This is an agreement with a Company for the cleanup, removal, and disposal of Hazardous Material / Waste Spills resulting from accidents / breakdowns involving Westchester County Automotive Vehicles.**

**Vendor: #735523  
C2G Environmental Consultants LLC  
165 Sherwood Avenue  
Farmingdale, NY 11735  
Tel: (631) 682-3074  
Attn: Paul Bany**

**Terms: 2%10 Net 30**

## **VENDOR REQUIREMENTS:**

- **Bidder must be able to provide 24 Hours a day / 7 days a week emergency service, with immediate response as requested.**
- **Emergency situations require a two (2) hour response time with the appropriate manpower and equipment.**  
**Under this Contract, the successful bidder shall furnish all labor, equipment and material necessary to perform the work as specified**
- **All Cleanups shall be completed to the satisfaction of the County of Westchester.**

## **GENERAL TERMS**

1. **Charges for labor and equipment rentals will be invoiced on a portal to portal basis from start to completion of the job, for loading and unloading and mobilization and demobilization of equipment and materials.**  
**Minimum call out time is four (4) hours per person and per item of equipment.**
2. **All rates for equipment rentals do not include operators. Operator costs shall be billed via the quoted hourly labor rates.**
3. **The shift rate, where applicable, is for an eight (8) hour shift. Each incremental hour beyond the first eight (8) hour shift is charged at the appropriate hourly rate.**

## **LABOR RATES**

-Prevailing Wage Rates shall apply for this Solicitation. Please quote your hourly labor rated for the services detailed herein. All labor to be performed by qualified, trained technicians:

**\$95.00 per Man hour (Regular Time, regular business hours)**

**\$142.50 per Man hour (Over Time, other than regular business hours)**

## **WASTE DISPOSAL**

- It is understood that there are many factors that can determine the actual costs of HAZMAT Waste Disposal. Pricing indicated below includes transportation to Facility
  
- Disposal of 55 gallon drum of petroleum based waste: \$190.00
  
- Disposal of bulk soil: \$125.00 per ton
  
- Disposal of contaminated liquid: \$.85 per gallon

**EQUIPMENT AND MATERIALS REQUIRED DURING CLEANUP:****A. Rental of Equipment that may be required during cleanup.**
