If the County elects to renew Contract, the County will provide notice to Contractor ninety (90) days prior to the expiration date of Contract. Failure to notify Contractor within this time period shall not operate as a waiver of County's right to renew Contract. Within ten (10) Business Days of receiving such notice, Contractor shall submit a signed renewal to County. Each renewal shall be on the same terms and conditions as the prior term.

At the end of the initial term or any renewal Contractor shall, at the County's written request for an additional partial term, provide services as specified in Contract for a period not to exceed six (6) months under the same terms and conditions as the prior term.

1. This is a Requirements Contract unless specifically stated otherwise, and the estimate of quantities of the Goods or Services required is approximate and shall in no respect be deemed a guarantee.
 - a. The quantities actually required to complete the Contract may be less or more than estimated, and, if less, then no action for damages or lost profits shall accrue to Contractor.
 - b. If the quantity(ies) varies from original estimated number or amount, then the Contract Price shall be adjusted accordingly.

2. Even if this is not a Requirements Contract, the County shall have the right to increase or reduce the quantity of Goods or Services by up to ten percent (10%) thereof.
